

THIS ON THE DRAWING

UNLESS OTHERWISE SPECIFIED:  
 DIMENSIONS ARE RELATED TO DATUM A (PRIMARY),  
 DATUM B (SECONDARY), AND DATUM C (TERTIARY)  
 TOLERANCE:  $\pm 2$   
 MISMATCH: 3 MAX

MEANS THIS

This side meets the .250, since this is made from a single forging die

Mismatch is additive to dimensional limits

This side however is out, but in terms of parting line dimension, is ok???
