

CLEAN STEAM GENERATOR

WASTE HEAT STEAM GENERATOR

Heat Source

- Live Steam
- Thermal Oil
- Process Fluids
- Waste Heat

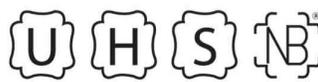

- ECONOMICAL
- PRACTICAL
RELIABLE

Safe and High Performance

Kawan[®]

ISO 9001:2008
ASME 'U', 'H', 'S' & 'NB'
DOSH Licensed Pressure Vessel & Boiler Maker
PKK Class A Contractor

'Buy Malaysia,
Smart Choice'

Features

- **DOSH approvals**
- **Pre-insulated in factory**
- **Skid mounted feed out - compact design**
- **Conform to ASME U and S stamp certificate**
- **Steam generator capacity from 100kg/m to 1500kg/m**
- **Suitable for food, pharmaceutical and other process industry**

Accessories (Optional)

- **Steam safety valve**
- **Level transmitter and level gauge**
- **High/low level safety control**
- **Build in touch screen PLC**
- **Steam blow down valve**
- **Pressure and temperature indicator**
- **Feed water pressure**
- **Low water alarm**
