AN AUTOMATION & CONTROLS COMPANY

s a Full Service Engineering Company; Attached is our brochure for your review that defines our services in detail. We are not a traditional staffing firm or a contract I & C company; we exclusively deal with degreed professional. All of our candidate searches are done for and by degreed professionals. We offer services from direct placement to short or long terms contract hires. We also take on engineering projects from concept to start-up. We have currently lowered our rates for the direct hire and contract placements. We would like to extend this offer to you.

I would like the opportunity to explain our services in detail. Please see below for my contact information as well as our company website.

would like the opportunity to be your full service one stop engineering provider.
