Dear Sirs,

Confidentiality Undertaking for PBX Master Password

We hereby need the master password of the certain PBX by the reason mentioned below.
We desire to receive such master password from PCC on conditions that we agree and undertake the confidentiality obligations mentioned below. Therefore, we would like you to disclose appropriate master password to us.

Conditions

1. We shall treat the master password as secret and strict confidential, and safeguard the secrecy and confidentiality of such password by using the utmost degree of care.
2. After using the master password in order to enter the system, we shall establish a new password.
3. We shall control and periodically change the such password for PBX.
4. We are responsible for any and all damages incurred by PCC, as a result of our breach of these obligations.

Yours faithfully
